

★ **Anybody can win 1 of 2 life-long Honorary Chairman Positions!**

Such a position does not include too many benefits yet (currently, you will only be allowed to attend all Pool° presentations), but these privileges are amended each time the Pool° changes its organisational status. Once the organisation has got its final status as a Foundation with fixed statutes, these are planned to include **life-long free lodging in a Pool° flat and a Pool° pension – just as for all other Chairmen and Chairwomen.**

Cooperative Quiz Competition... // Win 1 of 2 life-long Honorary Chairman Positions!*
*01.05.–30.06.2018 on www.poolorganisation.org // **Share to enhance your chance!***

The Pool° is friendly.

This is how an organisation should be that we want to have in our future lives.
Friendly Cooperation is key for creative Innovation. **The Pool° will be friendly.**

★ **There are two possible ways to win:**

- 1) You examine the Pool° info posters, LinkedIn posts and other publicly available information to get the highest score in the quiz.
Almost all quiz questions will be about the Pool° Organisation. In case of a draw, the winner will be chosen by lot.
 - 2) Somebody else has the highest score and puts your name as answer to the question “Who was the first person that shared information about this quiz with you?” (likes and comments on this Pool° se that you see in your feed count – if not from people representing the Pool°).
- ▶ If you do not win, your participation will stay confidential, your data will be erased after the quiz and The Pool° will not contact you.
 - ▶ Only if you are one of the two winners; then your name will also be published on the Pool° Website on 24th December 2018.
